Mr. Pforzheimer

[redacted]

I am desirous of setting up a program whereby I can, from time to time, call upon experienced people in the field of intelligence to consult with me regarding certain problems connected with this Agency.

In view of all the experience you have had in the field of intelligence research, I am wondering if it would be possible for you to come to Washington at our expense, in the near future and at your convenience, to talk with me. I would also very much like to have you make a survey of our research and estimates work, with a view to making suggestions which might be helpful in its improvement.

With kindest regards, I am

Sincerely yours,

R. H. HILLENKOETTER
